Commuting with CCTA is smart. But what happens if an emergency comes up and you can't make your scheduled bus ride home?

SureRide gets you home.

Once you're signed up with CCTA Smart Business, you are automatically enrolled in **SureRide**, the CCTA Smart Business emergency ride home program. SureRide reimburses you for a taxi ride home in the event of an unplanned emergency, **up to \$25 per ride, up to 4 times per year.***

It's easy and convenient.

No need to call CCTA or notify your employer before using your SureRide benefit. Simply call the taxi company of your choice and ride home, and be sure to ask for a receipt. Then provide your program administrator with your taxi receipt, and simple SureRide paperwork provided, for reimbursement.

* Year runs July 1 through June 30. All SureRide reimbursements are subject to CCTA approval.
